Scout District Is Formed For Truckee, Tahoe

Clarence Beavers Named Chairman to Head Group

At a meeting Friday night in the Veterans' Hall in Truckee, representative citizens of Truckee and Tahoe City voted to form a new district in the Tahoe Area Council, Boy Scouts of America.

It was decided the district would include Truckee and its environs and the communities along Lake Tahoe in Placer County. The district will be the fiffth in the Tahoe Area Council, which includes all of Placer and Nevada Counties and the western half of Sierra County.

Clarence Beavers, Tahoe City, was nominated district chairman and Robert Gifford of Truckee as district vice chairman. It was decided they are to appoint a district commissioner and chairmen of the following operating committees: camping and activities, health and safety, organization and extension, leadership training, advancement and finance.

As explained by Scout Executive Raymond J. Ewan of the area council, the new district is to include also all council executive board members residing in the district, representatives from groups which sponsor Scouting units and members at large selected from the communities in the district and to represent labor, church, business, and education interests in those communities.

Explains Set Up

The meeting of men interested in seeing Scouting reach more boys in the area was conducted by Ewan, assisted by Del Raby, field representative, and Charles W. Lauppe of Roseville, president, of the Tahoe Area Council. After a filmstrip showing the fundamentals of the Boy Scout movement, Ewan explained the organization of the council and the organization that would be needed in the new district.

Raby displayed a large scale map showing the boundaries and communities of the district. He pointed out that Truckee has two units, Boy Scout Troop 7 and Cub Scout Pack 7 and a possibility of an Explorer Post in the near future; that Tahoe City has two units, Boy Scout Troop 27 and Cub Scout Pack 27; that Tahoe Vista has a Boy Scout troop just newly organized and a Cub Scout Pack being organized—making a total of seven Scouting units in the district in the near future.

Lauppe presented the group with a layman's viewpoint of the benefits derived from a district organization, such as Scouting leaders receiving regular and continued training, activities near home, a systematic plan of organizing new Scouting units and serving present ones, and an opportunity to protect the health and safety of boys in the district. He said that all phases of Scouting would be under local leadership, with guidance and training from the full time council field executive for this section of the council.

Financing Necessary

He pointed out that minimum of financing was necessary to bring the services of the council to this section in the form of a Scout district. He stated that this is done through an organized program of financing over a year wherein the people of each community have an opportunity to invest in this worthwhile program.

Beavers expressed optimism in the new district organization and his confidence in the real benefit it would be in giving the boys of this area a more complete program of Scouting.

Those men who attended the meeting and voted upon the organization of the new district are William Bottell, William F. Curran, Arthur Eve, Robert C. Gifford, Carl Painter and E. Stice, all of Truckee; Clarence Beavers, Robert Gilbert and Oscar Quam, all of Tahoe City.

Mrs. Little Expected Home After Illness

Mrs. R. N. Little was expected home from the Washoe Medical Center where she has been under treatment since Sunday. She was stricken ill on a bus returning home from San Francisco and was taken to the hospital by the Truckee ambulance. Her condition was at first described as serious but she is rapidly recovering.

Moving Up the River—

Mr. and Mrs. Kenneth Grayson are moving into the Chase Harper house located on the Truckee River.

School Trustees Ask For Bids To Supply Power

TPUD, Power Company Expected to Vie For Contract

The question of whether the Truckee Public Utility District or the Sierra Pacific Power Company will supply electric energy to the new Tahoe Truckee Unified High School will be answered at a meeting of the trustees September 19.

The board is advertising for bids for rates, installation of necessary wiring, transformers and connections, and will receive such bids until September 19 at 8 p.m. when they will be opened.

All bids must conform with the requirements and specifications and plans and all other documents comprising the contract documents on file with the district superintendent, Everett V. O'Rourke at Tahoe City, and the architect, Gordon Stafford at Sacramento.

The successful bidder will be required to furnish a labor and materials bond equal to 50 per cent of the contract price and a faithful performance bond in the amount of 100 per cent of the contract price.

The only two possible bidders are the district and the power company, each of which has submitted tentative offers, the district meeting every requirement thus far presented to secure the business which is within the confines of the district.

The school board reserves the right to waive any irregularities and to be the sole judge of the fitness, quality and suitability of the products offered, or to reject any or all bids.

HOT LUNCHES TO START SEPT. 5 AS SCHOOLS OPENING

The hot lunch program is in readiness to begin when schools open on Tuesday, September 5, throughout the Tahoe Truckee Unified School District, reports Superintendent E. V. O'Rourke. In the past, this program has been delayed until after schools had been in session for several weeks.

Those in charge of the program in the various schools are Mrs. Muriel Frey, Truckee elementary; Mrs. Earline Brumbaugh, Tahoe Lake elementary; Mrs. Minnie Wagner, Kings Beach, and Miss Elaine Phillips, Donner Trail. High school students may take advantage of the hot lunches served at the Truckee elementary school, O'Rourke said.

He also reminds students and parents that school buses will operate on the same schedule as last term. Drivers will include Harry Eaton, Truckee to Summit; Erving Waters, Truckee to Floriston; Mel Throop, Crystal Bay to high school in Truckee; Lee Madden, Tahoe Lake school to Carnelian Bay and Tahoma; John Hartwick, Truckee to Hobart Mills; Glenn and Velda Parsons, Summit to Donner Trail School.

Reno Firm Low Bidder For Hospital Sewer

The C. Dieterich Company of Reno submitted the low bid for excavating a trench and installing 2300 feet of sewer line to connect the proposed new hospital to the Truckee Sanitary District lines.

The hospital directors opened three bids at the meeting Tuesday evening and yesterday the engineer for the district, R. T. Belcher, was in Reno to clarify the contract so that work can be started soon and completed by November 1, C. R. Heller, president, said.

Big Fish Story—

Mrs. Earl Brown and children returned home after a visit of several weeks with her parents in Minnesota. Mrs. Brown was enthusiastic about the excellent fishing, a number being so large that she could not angle them into the boat.

Tax Proposal Is Under Study By District Board

At their meeting Tuesday, directors of the Truckee Public Utility District took legal steps to impose a tax upon property within the district should this become necessary to raise funds.

The action was taken by the board after they discussed plans to hold a bond election. At the present time the district bonds are all paid off and there is no outstanding indebtedness with the exception of a loan from Bank of America.

E. L. Loynd, president of the board, said the members felt that the tax plan would be equitable and simple as it will be spread over a wide area and will not involve an increase of rates to finance necessary improvements in the water system and to enlarge the electrical department to handle increased use of power.

There is no certainty that the tax will be imposed, Loynd said, the directors merely taking the necessary legal steps to make the proposal possible. In event there is no need, Loynd added, there will be no tax but it is quite possible that either a bond issue or a tax levy will be needed if the district is to expand.

KEARNEYS FETED HERE SUNDAY ON 50th ANNIVERS'RY

The Wyethia Club house on River Street was crowded Sunday when scores of friends and members of their families gathered to pay tribute to Mr. and Mrs. Frank F. Kearney on the occasion of their Golden Wedding anniversary.

Over sixty members of the Kearney and Finnegan families were present, along with many local people and former residents. The affair was arranged by Mrs. J. E. Kaler, who acted as mistress of ceremonies during the afternoon. The Kearneys were presented with many lovely flowers and gifts. including upholstered easy chairs given by their children, which they promised would be used.

Notable among the guests were Mrs. Dan Smith and Mrs. Belle Williamson, who attended school here with Mrs. Kearney; Mr. and Mrs. William Englehart Sr. and M. S. Franzini, who were pupils of Mrs. Kearney's during the time she was teaching in Truckee prior to her marriage half a century ago.

The Kearneys, still active in the poultry business here, have reared a large family, each member a credit to their parents and to this community. The Sierra Sun adds its congratulations to the many already received by this esteemed couple.

VOTER SIGN UP DEADLINE NEAR DEEBLE WARNS

County Clerk R. E. Deeble warns that registration for the November 7 general election will close two weeks from today on Thursday, September 14.

Deeble advised that persons who did not vote in either the primary or general elections in 1948 must re-register. He added that persons who have changed their address or their names also must re-register.

Anyone who is 21 years old, a citizen, and has resided in the county 90 days, the precinct 54 days and in the state a year before the election is eligible to vote, he said.

Potential voters may register in Truckee at either the Truckee Public Utility office or at the Sierra Sun. Those in the Nevada County portion of Donner Summit may register with Mrs. Fran Couillard at Soda Springs.

Geo. Anderson Hurt As Companion Dies

George Anderson of Pleasant Grove and recent Truckee resident is reported to be in serious condition in a hospital following an accident while working. Fatal injuries were received by a man working with him at the time, it was learned by local friends.

The Andersons left Truckee recently to take the position.

Sun Beams

In the name of humanity, decency and common sense, drive carefully during the Labor Day weekend, the California Highway Patrol appealed to all motorists. The holiday, traditionally the windup of the summer season, may bring the season's heaviest toll of death and tragedy unless all motorists are willing to accept responsibility for their own safety. Pointing out that all available manpower will be used in keeping traffic moving safely, the patrol asked that drivers observe the followwing elementary precautions: 1. Be extra careful. 2. Don't drive too fast. 3. Don't take chances. 4. Don't drive for long periods without resting. "Live and let live" should be the motto of every motorist for the Labor Day week end.

* * *

In the June primary 3,140,472 voters went to the polls in California. That was a 63.8 per cent turn out of the total registration. Where were the 1,784,897 who didn't give a — well, who didn't give a hoot? Register and vote!

MRS. BEACH IS LAID TO REST IN MANTECA RITES

Funeral services were held at Manteca yesterday for Mrs. Retha Fern Beach, 52, wife of Oscar Beach, division of highways foreman on Donner Summit. Mrs. Beach died at Highland Hospital in Auburn on Monday night after a protracted illness.

Local funeral arrangements were made by the Truckee Colonial Mortuary and the body was taken to Manteca by that firm.

Mrs. Beach was widely known throughout this district. The family made their home here for a number of years before moving to the Summit and Emigrant Gap. She is survived by her husband and two sons, Kenneth Foster and Lester Foster, both of Truckee.

The sympathy of the community is extended to the family.

PLANS PROGRESS FOR BUCK STEW HERE SEPT. 19

Preparations are going forward for the annual free buck stew sponsored by the Truckee Outdoor Sportsmen, to be held at Capitol Hall here Sunday afternoon, September 24.

Mr. and Mrs. Johnny Ciardella have been assigned as chefs for the occasion and a promise of plenty of choice venison indicates the affair will be a success. A program is being arranged by the committees in charge of events, President Ciardella said, and the public is being extended an invitation to attend and participate.

The annual buck stew is a highlight of the season for sportsmen in the area and provides an opportunity for those who do not hunt to get in on the feast.

High Schoolers Urged To Plan Year's Course

Clifford King, principal of the Tahoe Truckee Unified High School, is urging students and their parents to visit the school any day this week, including Saturday, to discuss any problems they have in arranging the program for the year's work.

The entire high school faculty will be on hand and it is hoped that students and parents alike will avail themselves of this time to get the semester off to a good start with a definite understanding of the scheduled work.

Bay Visitors—

Mrs, Walter Loynd and children are visitors at Sunnyvale and other bay district cities.

Scotts at Susanville—

Truckee Pair Badly Hurt In Auto Accident

Six motor vehicle mishaps, several of them of a serious nature. were reported by the California Highway Patrol during the week.

Two Truckee boys, Andres Dominguez and Antonio Furro, are in critical condition in a Reno hospital from injuries received when their light car went through a guard rail and 150 feet down the canyon 100 yards east of the state line Saturday night.

Belle Fontaine, 47, Portland, Oregon, paid a $100 fine for drunk driving and a companion, Chester K. Landes, 53, Portland, paid $50 for violating the county sobriety ordinance after the Fontaine car ran off the road and was wrecked Saturday night near Donner Lake.

The driver of a car registered to Florence Bovett, Reno, was cited for making a bad pass which is believed to have caused the Fontaine accident. Patrolman Roy Stallard made the investigation.

Headon Crash

Five people suffered injuries, three of them of a major nature, when cars driven by Robert R. Rush, 29, Astoria, Oregon, and John G. Kessler, 75, Sacramento, collided headon just west of Donner Summit Friday at noon. Kessler was cited by Patrolman William Gautsche for being on the wrong side of the road and making a bad pass. The injured were the drivers; Marie Maksel, 34; Marksel, 13, and Edward Maksel, 38, all of Blue Lake and passengers in the Rush vehicle. The injured were taken to Auburn by the Truckee ambulances.

Car in River

John C. Aubut, 29, Tahoe, lost control of his pickup after a collision with a car driven by Alvin A. Iacono, 22, San Francisco, at the midway bridge on the Tahoe-Truckee road Sunday night and the vehicle plunged into the Truckee River. Patrolman T. F. Sheehan made the investigation.

At Carnelian Bay

Robert Martin, Sandy, Utah, suffered major injuries last Thursday night when a car driven by Raymond O. Tripp, Chico, ran off the highway near Carnelian Bay and was wrecked. Sheehan cited the driver for driving without due caution.

Four Car Crash

Four cars, one registered to Thomas Conway, Sparks, Nev., and the others driven by T. L. Anschurtz, Alameda; Lloyd Rogers, Reon, and John Mansfield, Alameda, piled up when the Conway car was forced into a bridge near Boca Sunday morning at 10:30 o'clock by a truck. The identity of the truck was not learned. Mildred Mansfield of Alameda suffered injuries. Patrolman Gautsche is endeavoring to locate the truck, which sped on without stopping.

Mattheus-Kuehn Firm Is Being Dissolved

Bruce Kuehn and Herbert E. Mattheus, who have operated Mattheus Furniture as partners for the past several months, this week announced the dissolution of the partnership with Mattheus remaining in full charge of the store, now located at the Gateway Park Shopping Center and in Tahoe City.

Kuehn said he will devote his full time to the operation and management of the new service station unit being erected by Kuehn and R. E. Johnston at the Truckee-Tahoe wye, a mile west of Truckee. They hope to have the station in operation early in September and have plans of adding motel cottages, a lunch room and other retail outlets as time advances.

Mattheus said he will continue to operate the furniture stores along the same established lines which have been so successful in the past, by providing the dist- with only high quality merchandise at competitive prices.

BISHOP SPEAKER

Rt. Rev. Noel Porter, Episcopal bishop of Sacramento, was the speaker at last night's meeting of the Truckee Lions Club held in Capitol Hall. Bob Seibold was program chairman and R. C. Gifford presided.

Officers Seek Information On Infant in Lake

Case Is Turned Over To D. A. Following Autopsy

TAHOE CITY— Constable Harry Johanson of Tahoe City received a telephone call Sunday morning from Everett Ross, speed boat operator for Bud Scott at Tahoe Tavern, notifying him that he had sighted a floating object a short distance off shore in Lake Tahoe which, upon investigation, proved to be the body of a new born infant.

Johanson immediately brought the little corpse to shore, took it to his home and summoned Dr. C. B. Pedersen, Tavern physician.

The doctor declared the dark-haired little boy, who weighed approximately six pounds, was a mature child, without marks of violence on his body. Indications were that the mother had not received medical attention at the time of birth. Pedersen estimated the child had been dead between 24 and 48 hours but could not ascribe the cause of death.

Coroner Francis West of Colfax announced the case has been turned over to District Attorney C. E. Tindall after an autopsy revealed the child had not drowned and had been born alive. Dr. F. Lynn Smith of Colfax, who performed the autopsy, stated the infant apparently died of injuries to its head.

Constable Johanson is making a thorough check of summer homes, resorts and doctors' offices in an effort to find a possible clue to the identity of the mother. Anyone in the area having pertinent information is requested to contact the officer at his home, Tahoe City 350.

Investigators are unable to determine whether the infant was thrown into the lake at a distant point and drifted to the west shore with the lake's tide or whether it was thrown from nearby pier or boat.

Capital City Men Take Over Truckee Resort

Following a Placer County superior court decision which decided in favor of I. O. Gifford in a controversy with Dr. John A. Keys over the Truckee Resort and Sportsman just west of here, Gifford announced he has leased the property to Pete Watts and Frank Stilson, both of Sacramento.

The new managers replace Orin Jackson, who has left the area, Gifford said.

Watts, a former advertising and promotional man, and Stilson, who operated the Metro Club at Oak Park, are enthusiastic over the possibilities of the resort and plan numerous improvements. At present they are engaged in renovating and remodeling and hope to be open in the near future.

They did not include the service station and store in the lease, these still being under the management of the Giffords.

They plan to operate the Sportsman daily from 6 p.m. until 2 a.m. and will specialize in chicken, steaks and short orders. The swimming pool has been cleaned and filled and the cabins are being renovated and redecorated.

Buick Dealer Finally Gets One for Himself

C. E. Osburn, who took on the Buick agency here several weeks ago, finally became the owner of a new Buick Roadmaster. Orders for the car have been so frequent, he said, that it was not until the last shipment that he was able to satisfy his own want. Others who purchased new Buicks this week are Mr. and Mrs. McEarthron of Tahoe, Mrs. Gladys Huse of Colusa and A. J. Markland of Tahoe City.

Mr. and Mrs. P. Petroni recently returned from an enjoyable month's visit in Kentucky.

Echoes of Yore Are Heard Again In Nearby Woods

Large Payrolls Noted At Mills Here and At Hobart

The whine of the sawmill, once a familiar sound throughout this district, is again making itself heard as two separate concerns, one at Hobart Mills and the other in Truckee, push operations and are turning out nearly one hundred thousand feet of lumber daily.

The Truckee Lumber Company mill, operated and owned by George Kaspian, is located just south of the SP tracks half a mile west of here. It is nearing capacity with between 40,000 and 50,000 feet a day. In the meantime, the owner is preparing to roof the mill to make winter operation possible and is awaiting arrival of the first all steel portable kiln from the Reese Blow Pipe Co. Kaspian hopes to have the kiln in operation by next spring but in the meantime orders for green lumber are taxing the mill crews.

Big Stock Pile

The mill owner has 1,000,000 feet of logs decked and expects to have between three and four million feet before snow stops logging operations by James and Leroy Purdy, who are cutting for Kaspian in the Tahoe area.

The mill is operated entirely by electricity and has two 60-inch circular saws. All the equipment is modern and is operated by a crew of approximately 30 men, exclusive of the loggers.

Mr. and Mrs. Kaspian and children are presently occupying one of the cottages at Gateway Motel but are purchasing the R. Joseph home on West Main Street and plan to live here indefinitely.

Hobart Mills

At Hobart Mills, the Tahoe Timber Company, formerly the Oroville Lumber Company, is operated by Kenneth Metzger and Lou Olson, who purchased the plant there as well as the mill at Hirschdale. The latter has been closed as work is centralized on the larger and modern plant at Hobart where nearly 70 men are employed in the mill and woods.

Metzger said they are now cutting about 40,000 feet daily but hope to increase this output to 70,000 before long. Logging is currently being done in the area south of Hirschdale where Don Metzger is in charge of falling and hauling operations.

Metzger and Olson are veteran lumber men and have owned mills in the northern part of the state and Oregon for many years. They are operating the mill installed by Hassler Lumber Company and are cooperating with the Fibreboard Products Company, which has purchased considerable timber land throughout the region.

Both mills, the one here and the one at Hobart, are providing no small payroll in the district and both expect to continue operations indefinitely.

Former Truckee Girl To Marry in Bay City

Mr. and Mrs. C. A. Gates of San Francisco are announcing the engagement of their daughter, Elizabeth Edith Gates, to Phil DiFilippo of San Bruno. The wedding is to take place in the Star of the Sea Church in San Francisco on September 24.

The bride to be spent her earlier years in Truckee and is a graduate of the elementary and high schools here.

McEwen Bound Over To Superior Court

Melvin G. McEwen, 25, Truckee, was held to answer to the superior court on charges of felonious assault and car theft after a preliminary hearing before Justice of the Peace R. N. Little last Friday. John Larue, Grass Valley, was attorney for the defendant and District Attorney Vernon Stoll handled the prosecution.

McEwen was charged by his wife with choking her after she had filed suit for divorce. He was also accused of fleeing to Utah in a stolen car.

EASTERN STAR

Truckee Chapter No. 116, O.E.S., will hold its regular meeting Tuesday evening, September 5, at 8 p.m. All members are invited to attend.

At Wedding—

Local friends of Mrs. Guy White of Colfax have learned she has returned home from an Auburn hospital where she was treated for ten days for second and third degree burns.

NO CHOICE OF SERVICE FOR DRAFTEES

Sgt. K.L. Roberts from the Army and Air Force Recruiting Station at Reno reminds young men of Truckee that the choice of service among the various branches of the Army is given only to volunteers and that draftees do not have any choice of service. Volunteers who enlist in the Army for a period of three years or more may choose to serve in the airborne, armored cavalry, coast artillery, corps of engineers, field artillery, infantry and may enlist for assignment to the Far East.

SWANEE'S TAHOE LETTER

Tahoe City, August 28

Dear Tahoeites:

Sure have a scoop for you this week! Molotov was killed in Tahoe City Thursday last, run over by a passing motorist who was decent enough to stop and come back to see what damage his car had done. Only, the Molotov in question was Constable Harry Johanson's beautiful five-year-old Samoyede dog, not Russia's diplomat. The dog jumped the fence to cross the road and ran into the car, dying almost instantly. His death leaves Harry short one good dog on his racing team for the coming winter's competition. Harry buried his pet in the garden of his home in Tahoe City.

This very Monday, Mike Korich is in San Francisco undergoing his phyiscal examinations prior to possible recall into the Navy. Donnie Prusso, now with the Air Force, is in Albany, Ga. From Howard Carnell in Korea, his parents, the Floyd Carnells, have had a few brief lines. He couldn't say much but was well and indicated they were having "a hot time in the old town tonight." He hadn't received any mail yet and was feeling kinda low. Unless Charles Henrikson can get a further leave, he will be reporting for duty with the Air Force at Hamilton Field on September 16.

Gadded about a bit last week, enjoying dinner Thursday evening at the Del Carlo's Swedish Farmhouse at Tahoe City with the Imon Mitchells and son Imon Dale Jr., our host, Loren Holmwood. Thence on to Cal Neva to catch Spike Jones and his City Slickers, a big crowd on hand there as usual. On Sunday night it was dinner at Homewood Resort, followed by my first visit to the big quonset theatre at Meeks Bay. The theatre is certainly a grand addition to the resort's recreational facilities and has proven popular with summer crowds during its initial season. Tonight it's dinner for son Jim and me at the Art Sathers' of Homewood at their lakeshore summer home next to Homewood Hotel.

Speaking of Mr. Holmwood, who is now in southern California for a few weeks doing a portrait, art lovers are urged to attend the Theatre of the Sky at Brockway which will close for the summer the end of this week with popular Blithe Spirit, and view the showing of five of Mr. Holmwood's favorite portraits. One, an exceptionally fine canvas, is titled My Father; two are of children and the other two of beautiful women. Lake Tahoe is fortunate to claim as a resident and property owner this world renowned portrait artist who has divided his time between Hawaii and the lake for many years.

Work is progressing on the big boathouse of the Sunnyside Boat Company, owned by Mr. and Mrs. Ralph Sears. Paul Salvador, Sears' cousin and an architect and builder from Auburn, is in charge of the construction. The new building, when completed, will be able to house for winter 38 to 40 large boats instead of the present 22 boat capacity. A new concrete foundation will be installed under the 138x36 building and a new cement floor will be laid.

The last show of the current season was shown before approximately 200 persons in Pineland Bowl last Saturday night. The side-splitting comedy production was "Public Wedding" wherein 6 foot 6 inch Larry Brewer was dressed as the bride and four foot five inch Mrs. Bert Brolund played the part of the groom, both dressed in appropriate costume. Community singing was enjoyed about the campfire with Mrs. Charles Beardsley official pianist. Mrs. Frances Carlson entertained with several delightful selections following the play. Next Saturday the 45 families of the Pineland Tract will close the season with their annual get together and picnic at the Bowl about 6:30 p.m. Beardsley, who has been the leading inspiration for the Saturday night entertainment at Pineland Bowl, declares this week that because of the instant appeal and popularitl the idea enjoyed from its instigation around the middle of July, light opera will be introduced next summer along with the plays.

The Pineland Tract this week acquired another prominent family as future residents when Mr. and Mrs. C. A. McCoy purchased a lot next to the tract office on which Contractor Bert Anderson will soon begin construction of a new three bedroom home. McCoy is a diamond merchant who makes frequent business trips to Amsterdam. Another resident of the new subdivision is Joseph Garcia, a platinucl jewelry designer, who summers here annually with his wife.

Mr. and Mrs. A. M. Anderson of Tahoe City were hosts Sunday night last to employees and their families, 18 in all, at Squaw Valley. Steaks were broiled and other goodies set before the group which enjoys this outing each fall at the close of the busy season. Recent word from Kay Starratt reveals that she is so busy managing her dude ranch 15 miles out of Jackson Hole, Wyoming, that she scarcely has time to write home. Mrs. Anne Anderson, her mom, visited with her earlier in the summer and assisted her in getting her resort in order for the summer season. Kay hires two couples to assist with the house work and outside work, and a dude wrangler and wife to care for the horses. Pack trips into the beautiful back country are a highlight of any Wyoming vacation. Kay's lodge, Elbo Ranch, and other dwellings will accomodate 18 guests and are located half a mile from Teton National Park headquarters. They are situated in a semi-circle and circled by a big lawn, with the towering 12,000 foot mountains in the background, their crests covered with snow the year around. Lake Tahoe will probably see Kay once again this winter, after she has spent time in a leisurely vacation.

Will ring off for the week as the summer season begins slowly to draw to a close. School opens again on Sept. 5, and right behind that will come the opening of deer season, a momentous occasion in these parts. Lots of does and fawns have been spotted but few bucks so far. Good luck and a cheery adios to you all, as ever, Swanee.

BISHOP OFFICIATES AT WEDDING ON SUNDAY AT LAKE

TAHOE CITY— The Episcopal Outdoor Chapel near Tahoe Tavern was the scene on Sunday at 3:00 o'clokc in the afternoon of a charming wedding ceremony, performed by Bishop Noel Porter. Wild flowers of Tahoe adorned the altar and music from the chapel organ enhanced the ceremony. A reception followed at the Stoll home in Lake Forest Unit III.

The bride was Anne Lewin Stoll, daughter of Mr. and Mrs. E. P. Stoll of Oakland. Allan Clarke Pier, son of Mrs. Elizabeth Pier and Dr. McKay Pier of Oakland, was the bridegroom.

A white linen dress with shoulder length veil and lace cloche was chosen by the attractive bride, who carried a white prayer book and cluster of white orchids. Matron of honor was Mrs. Halbert Moller of Carmel, sister of the bride. Little 2½ year old Elizabeth Moller, dressed in white ogandy, served as flower girl. Bridesmaids were Joan Stainfield of Pasadena and Mrs. Robert Chambers of Berkeley. All three attendants, with circlets of ivy in their hair, were gowned in blue linen and carried bouquets of tuberose begonias who shadings ran from yellow and orange to red, with ivy trailing from the clusters.

McKay Pier of Oakland was best man for his brother.

The bride was president of Alpha Omicron Pi at University of California at Berkeley and the groom was president of Delta Iota at Davis College. The couple is motoring to South Dakota for an extended honeymoon and will make their home at Davis upon their return.

Party at Homewood Honors Oaklander

HOMEWOOD— Tuesday, August 22, was the occasion of a birthday dinner party given at Homewood Resort in honor of Mrs. Ellen F. Wagner of Oakland, mother of A. W. Wagner of Cleveland, Ohio, and H. J. Spring of San Francisco. Nine guests attended the party.

Saturday evening, August 26, W. A. Stapff, guest at Homewood Resort, gave a delightful musical program with Mrs. Pete Sederberg of Lake Tahoe at the piano.

Former guests vacationing at Homewood Resort are Mr. and Mrs. Russell Harris and son, Sacramento; Dr. and Mrs. Henry Kleinsorge and son, Sacramento; Dr. A. M. Carlton, Los Angeles, and A. C. Carlton, M.D., San Mateo.

Hands Entertain Many At Summer Home

TAHOE CITY— Dr. and Mrs. Lee Hand of San Francisco have been entertaining extensively all summer at their summer home in Timberland Tract. Their guests for the past few weeks include Mr. and Mrs. R. W. Abrahamson and son Richard; Michael Delaney, Dorothy Yealland and Mr. and Mrs. William Thomas, all of San Francisco. Their son, Lee Hand Jr., and five of his friends spent several weeks in August at the Hand's summer home.

Al Brune Is Winner in Golf Tournament

TAHOE CITY— The handicap golf tournament staged by Carl Bechdolt Jr. on the Tahoe City golf links Sunday was attended by around 300 persons, with an entry list of 96.

First place winner of both low gross and low net scores was Al Bune of Tahoe Tavern, low gross of 67, one under par for the nine hole course. Dick Kennedy, member of the California Golf Club of San Francisco, was in second place, and Dr. Henry H. Searls of Carnelian Bay placed third.

Seven women were entered in the playing. Mrs. George Lewis of Los Angeles and Tahoe Pines took first place with a low gross of 79. Mrs. Harry Wallach of was second and Mrs. Norman Harter was third. Both the lattei are members of the Lake Merced Golf Club in San Francisco. Mrs. Kok and Mrs. Woodruff registered low net scores.

Only two boys entered the tournament and Jerry Quam or Tahoe City took first place with a score of 84. Jay Stuart of Lake Forest was just two strokes behind. Both boys received mei chandise prizes.

Consolation prize went to Art Williams, member of the Truckee Tahoe baseball team.

Pete Marich, Reno pro, was director of the tournament. A cocktail party and buffet luncheon followed awarding of the prizes, all of which were donated by merchants of the Tahoe City area.

Lake Level

TAHOE CITY— The level of Lake Tahoe on Monday was 6226.30 with 381 CSF of water leaving the gates in Tahoe City. Coldest days of the past week were on the 23rd, 24th and 25th when the mercury dipped to 40 degrees and warmest was on the 27th with 84.

Ancient Autos Greeted By Tahoe City F.D.

TAHOE CITY— Fire Chief Al Henry of the Tahoe City Volunteer Fire Department, accompanied by members of the department, Al Randolph, Basil Kehoe and Bill Bechdolt, riding in the local fire truck, met and welcomed on Saturday the old time car caravan which made its way from Harrah's Club in Reno, over the Carson grade, to Lake Tahoe on parade.

The local boys joined the caravan at the north end of Tahoe City and escorted them to the fire house in town, wnere the band accompanying the ancient autos serenaded Tahoe City as the oldtimers lined up on the highway. A large crowd was on hand to enjoy the spectacle which left Tahoe City for Truckee on their homeward jaunt.

Real Estate Operations Show Decline

SACRAMENTO —(W. N. S.)— Reflecting a decrease in real estate transactions, the state board of equalization reports declines in title insurers' revenues during 1949.

In a statement of assessments on insurance companies for the year, the board reported increased volumes among automobile, fire, casualty and accident and health insurers. Life insurers collected five per cent more revenues during 1949 than in 1948 but the cancellation of certain types of policies and the return of premiums resulted in a six per cent decline in tax levies on this type of business.

The board assessed a total of $23,089,156 in taxes on all companies, an increase of one per cent over the previous year.

*Local Union Rates

If any overtime is necessary, and is allowed, it shall be paid at double the straight time rate, including Saturdays, Sundays and Holidays. For any craft not included in the list the minimum rate shall be not less than $1.45 per hour.

Plans and specifications may be seen at or obtained from the office of the Architect, California State Life Building, Sacramento, California. Requests for plans shall be accompanied by a deposit of $25.00 for each copy of plans and specifications loaned out; deposit to be refunded upon return of the plans and specifications in good condition.

Plans and specifications will only be loaned to Contractors licensed in accordance with the Contractors' License Law.

All bids shall be presented on blank forms which may be procured at the office of the Architect. No bid shall be considered unless cash, a cashier's or certified check, or a Bidder's Bond in the sum of at least ten per centum (10%) of the amount of Proposition No. 1, made payable to The Tahoe Forest Hospital District, is enclosed with the bid, as a guarantee of good faith that the party to whom the contract may be awarded will within ten (10) days after the award is made enter into the necessary agreement and furnish the necessary bonds for faithful performance and payment of claims, and in case the party to whom the contract is awarded fails to enter into said agreement or to furnish said bonds, said cash, check or Bidder's Bond will be forfeited to the said Tahoe Forest Hospital District in the manner provided by law.

Each bid must be enclosed in a sealed envelope and addressed to Charles Heller, President of the Board of Directors of the Tahoe Forest Hospital District, and endorsed "Proposal for construction of the Tahoe Forest Hospital."

The Board of Directors expressly reserves the right to reject any or all bids and to waive any informality in any bid received.

The Contractor's attention is called to the fact that this project will be constructed with Federal assistance under the provisions of Public Law No. 725, 79th Congress.

By order of the Board of Directors, Tahoe Forest Hospital District, Nevada County, California. Dated: August 8, 1950

Woman Suffers Burns As Stove Explodes

TAHOE CITY— Mrs. Marguerite Webb of Tahoe Park is recovering satisfactorily from burns suffered on her face when her gas range blew up over a week ago. Relatives who were in the house at the time covered the burned area with a soothing ointment and it is believed no scars will result. A portion of her hair was also burned off but she smothered the fire with her hands and saved the balance of her tresses.

Latest reports indicate the Webbs now have a brand-new, foolproof gas range.

Jerry Lewis Urges Visit To Crosley Show at State Fair

Local visitors at the California Sttae Fair in Sacramento, August 31 through September 10, will find one of the most interesting of the many noteworthy industrial exhibits, that of the Crosley Division, Avco Manufacturing Corporation, reports G. E. Lewis, manager of Donner Trail Lumber Company, distributor of Crosley appliances in this area.

It is conceded to be the most comprehensive display of major electrical appliances ever attempted by a manufacturer but has the additional news note of having its central feature — an animated electric kitchen — modeled after the hydraulically-operated central control system of the B29 bomber.

The entire exhibit, which includes at least one each of the 1951 Crosley line of television sets, radios, electric ranges, refrigerators, freezers, custom cabinet sinks, wall and base cabines, electric water heaters and electric disposer units, is 100 feet long, 18 feet high and 10 feet in depth.

STATEMENT ISSUED TO CLEAR ERROR IN HEALTH BUDGET

TAHOE CITY— Under an Auburn date line, there appeared an article in a Sacramento newspaper which included the following statement:

"Criticisms were directed at a $99,400 budget for the health department."

The above statement is misleading, says Mrs. Marie Henry of Tahoe City, members of the Placer County board of health, and gives a completely erroneous impression of the health department budget for the fiscal year 1950-51. The correct facts are as follows:

The figure of $99,400, which appears in the preliminary budget prepared by the auditor, includes $35,320 still due on the building contract and for laboratory equipment. Since this will not be paid out until the building is completed and the equipment installed, this amount—still on hand in the treasury—is carried [illegible] last year and rebudgeted this year. Deducting this amount from the $99,400 leaves $64,080, which is the operating budget for the health department for the next fiscal year. Of this $29,080 will be received from state and federal subvention funds.

The balance will be raised by a $.0624835 tax rate on each $100 assessed valuation, which is no appreciable increase over over the $.06247 tax rate required for the last fiscal year.

WEDDING PARTY AT HOMEWOOD AFTER CEREMONY

HOMEWOOD— Miss Ann Sharpneck of Woodland, daughter of Mrs. Irene M. Sharpneck was married to Patrick J. Cunningham, San Francisco, Saturday, August 26. Bishop Noel Porter performed the marriage ceremony at 11 a.m., after which the wedding party of ten guests had the wedding breakfast served on the Homewood Resort veranda.

The bride was attired in a three-quarter length white organdie and lace dress with matching headdress and carried a white prayer book with streamers. Her only attendant, Miss Edith Stromber, San Francisco, wore a similar white organdie dress, with a pale yellow sash and matching shoes, carrying yellow and white daisies.

The bride was given by her brother, George J. Sharpneck. Cunningham's best man was his brother, Dr. D. Cunningham of San Francisco.

Dove Season in State Opens on Friday

ELECTRICAL TIPS FOR THE HOME
If You Intend to Redecorate or Remodel This Fall . . .

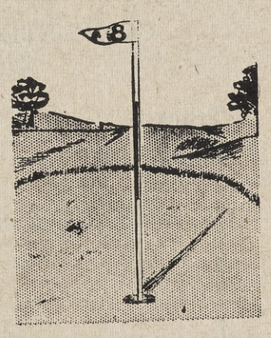

DON'T let ugly, makeshift electrical extensions spoil the looks of a newly-decorated room. They're not only unsightly, but they're also unsafe.

DO provide enough convenience outlets for all your lamps and appliances. Space them every 12 feet along the wall and in smaller areas of 3 feet or more.

North Tahoe

by T. BURROUGHS

The North Tahoe softball team win! Bill Althos hurled a four hit game to beat the Electric Service club of Carson City. Our North Tahoe boys show they still have the stuff which made them a hard team to beat in the past. Saturday night they won by a score of 8 to 3. Hitting honors went to the Martin boys, Harvey and Bill, both hitting three baggers, knocking in winning runs. Quite a goodly crowd went to see the triumph. After this good showing, the boys may look for a few more games.

Anna Hess, Hollywood glamour girl, is a guest of Globe Trotter Anne (Mrs. Blaue) of Tahoe Vista. The girls are having a wonderful time and celebrated the 73rd birthday of Miss Anne at Riolo's today, August 31.

Jack Wells, staying at Jones' Cottages, proudly displayed a 20 pound mackinaw caught at the adjacent pier.

A successful Sunday School picnic was held at Mrs. Blaue's on August 24 and she wishes to thank all of those who contributed to the enjoyable day.

Due to the holidays and school opening, there will be no meeting of the Woman's Society of Christian Service on September 5, it was announced.

Dr. John Keys is reported to have sold his house at Tahoe Vista, formerly the Jack Taralaton property, and returned to southern California. His family is planning to follow within a short time.

Mr. and Mrs. Larry Rude were recent Alta visitors when they took Andy White home after he had spent his vacation with the local family.

STACKED ARMS AT AN ORIENTAL ANGLE—South Korean soldiers at a railway station where they made a short stop on their way to the battlefront. American rookies will wonder what prevents these rifles from sliding to the ground.

Nevada County's Value

Nevada County will levy taxes on property assessed at $25,181,090 on the 1950-51 county tax rolls.

SOUTH TAHOE UTILITY VOTE SEPT. 19

A special election on establishing a public utility district at the southern end of Lake Tahoe will be held Tuesday, September 19, in accordance with action by the El Dorado County board of supervisors. The polling place will be at the Bijou Park fire house.

The area proposed to be included begins at the Nevada state line and extends west as far as Jewell Heights near Bijou and back from the lake front in an irregular depth line. The Meadow Park subdivision is accepted as an entire unit.

The petition was presented by a committee composed of William Crocker, Charles Johnson, Al Young, Les Nagy and Ray Beilby, on behalf of advocates of the proposal.

NOTICE OF CALL FOR BIDS

* * *

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe Truckee Unified School District, Placer and Nevada Counties, California, at the office of the District Superintendent of said school district, at the Tahoe Lake Elementary School, Tahoe City, California, on or before the nineteenth of September, 1950, at 8:00 p.m., at which time and place said bids will be opened for the rates for supplying of electricity for power and lights, and for installing the necessary wiring, transformers and connections for supplying said power and lights to the Tahoe Truckee High School, Truckee, Nevada County, California.

All bids must conform to the requirements of the specifications and plans and all other documents comprising the contract documents on file in the offices of the superintendent and the architect.

The Governing Board of the District reserves the right to reject any and all bids, to waive any iirregularities, and to be the sole judge of the fitness, quality, and suitability of all bidders' products offered.

The successful bidder shall be required to furnish a labor and materials bond in an amount equal to fifty (50%) of the contract price, and a faithful performance bond in an amount equal to one hundred (100%) per cent of the contract price. Said bonds shall be secured from a Surety Company satisfactory to the Owner.

Dated this twenty-ninth day of August, 1950.

Governing Board of the Tahoe Truckee Unified School District.

State Fair In Capital

SACRAMENTO— With a great program of free entertainment, outstanding exhibits and countless other attractions arranged for the hundreds of thousands of visitors, the California State Fair opens today (August 31) for an 11-day run.

Gates were scheduled to open at 10 a.m. with appropriate ceremonies commemorating California's admission to the Union being held at the main gate and around the giant replica of a birthday cake in front of the Agriculture Building.

Governor Earl Warren, descendants of prominent pioneer families, state, county, city and Fair officials, and others are participating. Music is by the National Guard band and a color guard plays a part in the impressive ceremonies.

The State Fair this year offers more than ever before for the low admission price of 50 cents, including federal tax. Thirty-five counties, eight foreign countries and the Wines Industries will have exhibits in the Agriculture Building.

The Fair, too, will fly the flag of the United Natons this year to remind visitors the role of that organization in world affairs. The UN flag was officially raised on the Fair Grounds by a color guard of the 184th Regiment, California National Guard.

Another new feature — speed boat races — has been added to the Fair's program. Outstanding outboard drivers will compete over the new course on the Fair Grounds on September 3 and inboard pilots will race on September 10.

The Hall of Flowers, horse show, major racing meet and night theatrical performances in front of the grandstand are better than ever before.

Buildings will be filled to overflowing with farming and industrial machinery, purebred cattle, sheep, swine, goats, poultry, rabbits, processed foods, interesting hobbies, two model railroads, dairy products and a host of other items.

The outdoor art show will present the work of foremost California artists while the Women's Building will hold an exhibit of jams, jellies, preserves and fancy needle work.

Free entertainment will include 16 bands, circus acts, strolling troubadours, puppet shows, novelty acts, drum anr bugle corps, drill teams, and many other interesting features. These free shows will run almost continuously from noon to 10 p.m. daily at the Fair Grounds.

Living Together Is Stressed by AAUW

Mental hygiene or "the ability to live happily, productively and acceptably with other people" was the discussion topic for the members of the Tahoe-Sierra branch of the American Association of University Women at their August 22 meeting in the home of Mrs. William Randall at Carnelian Bay. Mrs. J. W. Wilson, discussion leader, stressed the family attitude toward children and suggested four rules for a good parent — a positive approach, a humorous attitude, tolerance and humility.

Mrs. Ruth Hillger, Sacramento art teacher and weaver, showed samples of her weaving which are on display at State Fair.

Members present were Mesdames G. E. Lewis, Royal Elt, H. E. Slade, Kjell Rustad, C. E. Martin, William Randall, J. W. Wilson, Edward Coppel, C. C. Warner and her guest, Mrs. Hillger.

At the September 12 meeting, Mrs. C. E. Martin, legislation chairman, will lead a discussion on several of the issues of the coming election.

Rotarians Entertain Ladies on Monday

The Truckee Rotary Club Monday had as guests their ladies.

Cliff Mott and Walter Ford, Sacramento Rotarians, were the entertainers. Mott has been the leader of the Ben Ali Shrine Chanters for many years and he and Ford are song leader and pianist for the Sacramento club.

John Richards, Charles Cross and Tom Buell celebrated their birthdays, having appropriate cakes made by Mrs. James Sherritt. They sat at the birthday table for those whose birthdate occurs during the month. Mrs. Buell ann Mrs. Cross joined the fun with their husbands. It so happened that the birthday of Mrs. E. Cribbs of Carnelian Bay mother of Herb Mattheus, fell on the meeting date so she and her son and Mrs. Mattheus joined the celebration.

Among the guests were Gilbert Ticoulat, Auburn; Steve Korich B. M. Kuehn, Tahoe City; Mr. and Mrs. Art Leitch, Mr. and Mrs. Ray Scott, Terry and Rex Tollefson, all of Truckee.

President Jim Sherritt announced there will be no meeting of the club next Monday, it being Labor Day.

State Highway Forty Crews Given Party

State maintenance and patrol personnel responsible for traffic conditions on US Highway 40 in the Donner Pass area were honored at an outing and barbecue given Saturday by the Western Highway Institute in Bear Valley near Emigrant Gap.

John L. Springer, institute president, said the event was planned in appreciation for the division of highways personnel and the state highway patrol in keeping the highway over Donner Pass safe for traffic at all seasons.

Frey Guests—

Mrs. Muriel Frey has as her houseguests her mother, Mrs. Cora Eckert and son, David, and grandson, Ira Keetch, all of East Berlin, Penn., who are enjoying a visit in Truckee.

ASSIGNED TO SHIP

Latest word from Jay Rablin is that he has received home town mail, including letters and the Sierra Sun, which accumulated for more than a month while he was traveling by air to overtake the ship to which he was assigned. He wrote that it was a case of "love at first sight" when he went aboard the vessel.

day, August 21.

Last Friday night Mrs. Anton Mayer and Mrs. William Campbell attended a special meeting of the Rebekah Lodge at Dutch Flat.

Heads School—

by EDGAR RICE BURROUGHS

TARZAN WAS WATCHING THE RHINO'S RETREAT WHEN LITTLE N'KIMA, SPRANG TO HIS SHOULDER SCREAMING FOR HELP.

"IT IS BOLGANI, THE GORILLA," SHRIEKED THE MONKEY. "HE HAS GONE MAD! ALREADY HE HAS KILLED MANY OF THE MANGANI AND GOMANGANI!"

"HE IS HEADED THIS WAY," CHATTERED N'KIMA. "IT IS TERRIBLE!"

"WHAT'S GOING ON?" ASKED RAWSON. "A GORILLA HAS RUN AMUCK," TARZAN REPLIED GRIMLY. "HE MUST BE STOPPED!"

"WAIT HERE", SAID TARZAN. "I CAN DO BETTER ALONE. WE'LL GET THE RHINO LATER."
